2016 CASH INCENTIVE PLAN**Purpose:**

The terms of the 2016 Cash Incentive Plan (the “Plan”) have been established to reward the executives and other employees of Rigel Pharmaceuticals, Inc. (the “Company”) for assisting the Company in achieving its operational goals through exemplary performance. Under the Plan, cash bonuses, if any, will be based on both the achievement of corporate goals and a review of personal performance, which is determined at the discretion of the Compensation Committee of the Board of Directors (the “Compensation Committee”) and/or the Board of Directors (the “Board”). The overarching intent in setting and achieving the goals is to build long-term shareholder value.

Determination of 2016 Cash Bonuses:

Target bonuses for participants in the Plan will range from 5% to 60% of such recipient’s 2016 base salary, with a range for executives of 40% to 60% of such executive’s 2016 base salary. The maximum bonus that a participant will be eligible to receive is 120% of such participant’s 2016 base salary and in no event will a bonus be paid later than March 15 of the year following the year in which the bonus was earned. The objective Company performance goals for each participant will be based on meeting certain goals with respect to the Company’s financial and operational performance: selecting a novel clinical development candidate or identifying a new indication for an existing Rigel molecule (weighted at 10%), completing both phase 3 clinical trials for the Immune Thrombocytopenia Purpura (ITP) indication and progressing NDA filing and processes required for commercialization for such product candidate (weighted at 60%), advancing the development of product candidates in phase 2 (weighted at 20%), and maintaining a viable cash position for the Company at December 31st, 2016 (weighted at 10%), as well as other Company performance goals to be determined by the Compensation Committee. The Board and Compensation Committee reserve the right to modify these goals and criteria at any time or to grant bonuses to the participants even if the performance goals are not met, as well as to withhold bonuses if a minimum threshold of 40% of the goals are not met.
